Details

Description

This entry device of the Wet & Dry Medium-duty Class guarantees even more convenient and more time saving application: Not only caused by excellent features like the automatic cable rewind and the new storage system but also by large 25l container. With 1.400 W max. power and the high wet vacuuming capacity this Wet & Dry Vac has the best equipment to clean big amounts of dirt effortless. Of course of the top quality one can expect of Kärcher.

Application

Suitable to clean big amounts of dirt in the vehicle interior, house and yard as well as outdoors. Also the ideal help for effective vacuuming of water.

Features & Benefits

Automatic cable rewind Cable can be easily and quickly stowed away by touch of a button. Special cartridge filter - available exclusively at Kärcher Especially flat for high wet vacuuming capacity. Special material enables wet and dry vacuuming without changing the filter. Blower Function Helps wherever vacuuming is not possible. In this way e.g. leaves can be blown out of a gravel pit. Parking position Ideal for breaks: the parking position for quick and convenient stowage of suction tube and floor nozzle directly on the machine. Clips floor nozzle with 2 rubber inserts and 2 brush inserts Enables optimal suction of wet & dry dirt from hard floors and carpets. Practical hose and accessory storage Space saving, handy and secure storage of suction hose and accessories included in scope of supply or bought later. 25l container Enables vacuuming large amounts of water and dirt. 2,2m suction hose with ergonomic handle For maximal working convenience. Ergonomic handle For comfortable handling. Plastic container Robust and impact resistant.

WD 4.200
